Section 203. Designation of Paying Agent. Security Bank of Kansas City, in Kansas City, Kansas, is hereby designated as the City’s paying agent for the payment of principal of and interest on the Bonds and as bond registrar with respect to the registration, transfer and exchange of Bonds (herein called the “Paying Agent”).

The City will at all times maintain a Paying Agent meeting the qualifications herein described for the performance of the duties hereunder. The City reserves the right to appoint a successor Paying Agent by (1) filing with the Paying Agent then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent and appointing a successor, and (2) causing notice to be given by first class mail to each Bondowner. The Paying Agent may resign upon giving written notice by first class mail to the City and the Bondowners not less than 60 days prior to the date such resignation is to take effect. No resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of the Paying Agent.

Each successor Paying Agent appointed hereunder shall at all times be a commercial banking association or corporation or trust company qualified to do business in the State of Missouri organized and in good standing and doing business under the laws of the United States of America or of the State of Missouri, authorized under such laws to exercise trust powers and subject to supervision or examination by federal or state regulatory authority and has a reported capital and surplus of not less than \$25,000,000.

The Paying Agent shall be paid the fees and expenses for its services in connection therewith, which fees and expenses shall be paid as other Expenses are paid.

Section 204. Method and Place of Payment of Bonds. The principal or Redemption Price of and interest on the Bonds shall be payable in any coin or currency of the United States of America that, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The principal or Redemption Price of each Bond shall be paid at Maturity by check or draft to the Person in whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presentation and surrender of such Bond at the payment office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Registered Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest by check or draft mailed by the Paying Agent to such Registered Owner at the address shown on the Bond Register or in the case of an interest payment to the Securities Depository or any Registered Owner of **\$500,000** or more in aggregate principal amount of Bonds, by electronic transfer to such Registered Owner upon written notice signed by such Registered Owner given to the Paying Agent not less than **5** days prior to the Record Date for such interest, and containing the electronic transfer instructions including the bank (which shall be in the continental United States), ABA routing number, address and account name and account number to which such Registered Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Bond shall cease to be payable to the Registered Owner of such Bond on the relevant Record Date and shall be payable to the Registered Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least **30** days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds, the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than **15** nor less than **10** days prior to the date of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed by first class mail, postage prepaid, to each Registered Owner of a Bond entitled to such notice at the address of such Registered Owner as it appears on the Bond Register not less than **10** days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Bonds and shall at least annually, upon the written request of the City, forward a copy or summary of such records to the City.

Section 205. Registration, Transfer and Exchange of Bonds. The City covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the office of the Paying Agent for the registration, transfer and exchange of Bonds as herein provided. Each Bond when issued shall be registered in the name of the Owner thereof on the Bond Register.

Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon surrender of any Bond at the payment office of the Paying Agent, the Paying Agent shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of

transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The City shall pay the fees and expenses of the Paying Agent for the registration, transfer and exchange of Bonds provided for by this Ordinance and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Paying Agent, are the responsibility of the Registered Owners of the Bonds. In the event any Registered Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Registered Owner hereunder or under the Bonds.

The City and the Paying Agent shall not be required (a) to register the transfer or exchange of any Bond after notice calling such Bond or portion thereof for redemption has been given or during the period of **15** days next preceding the first mailing of such notice of redemption, or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204** hereof.

The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Registered Owner or upon the Registered Owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Paying Agent, the Bond Register may be inspected and copied by the Registered Owners (or a designated representative thereof) of **10%** or more in principal amount of the Bonds then Outstanding or any designated representative of such Registered Owners. Designated representatives of such Registered Owners must be evidenced to the satisfaction of the Paying Agent.

Section 206. Execution, Authentication and Delivery of Bonds. The Mayor and City Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Paying Agent for authentication.

Each of the Bonds, including any Bonds issued in exchange or as substitution for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the City Clerk, and shall have the official seal of the City affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Exhibit A** attached hereto, which shall be manually executed by an authorized signatory of the Paying Agent, but it shall not be necessary that the same person sign the certificate of authentication on all

of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Paying Agent. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. Upon authentication, the Paying Agent shall deliver the Bonds to or upon the order of the Purchaser, upon payment to the City of the purchase price of 100% of the principal amount of the Bonds plus accrued interest thereon to the date of their delivery.

Section 207. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent, or the City and the Paying Agent receive evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Paying Agent such security or indemnity as may be required by the Paying Agent to save each of the City and the Paying Agent harmless, then, in the absence of notice to the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and, upon the City's request, the Paying Agent shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Paying Agent in its discretion may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the City or the Paying Agent may require the payment by the Registered Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent and applicable record retention laws. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the City.

Section 209. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the Bonds, except in the event the Paying Agent issues Replacement Bonds as provided in subsection (b) hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Paying Agent authenticates and delivers Replacement Bonds to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bonds being issued to

any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or (2) if the Paying Agent receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, then the Paying Agent shall notify the Bondowners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Paying Agent shall register in the name of and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Paying Agent, may select a successor securities depository in accordance with **Section 209(c)** hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository is the Owner of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Paying Agent, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the City, the Paying Agent or Bondowners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 209(c)** hereof, then the Paying Agent shall authenticate and cause delivery of Replacement Bonds to Bondowners, as provided herein. The Paying Agent may rely on information from the Securities Depository and its Participants as to the principal amounts held by, and the names and the addresses of, the beneficial owners of the Bonds. The cost of printing Replacement Bonds shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Paying Agent receives written evidence satisfactory to the Paying Agent with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Paying Agent upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 210. Sale of Bonds. The sale of the Bonds to the Purchaser at a purchase price set forth in the Bond Purchase Agreement in substantially the form of such agreement on file with the City, with an underwriter's discount not to exceed 4.8% of the principal amount of the Bonds, is hereby authorized. The Mayor is authorized to execute the Bond Purchase Agreement with such changes therein as such official deems appropriate, for and on behalf of and as the act and deed of the City, such officer's signature thereon being conclusive evidence of such official's and the City's approval thereof. Delivery of the Bonds shall be made to the Purchaser as soon as practicable after the adoption of this Ordinance and the execution of the Bond Purchase Agreement, upon payment therefor in accordance with the terms of sale.

Section 211. Approval of Documents. The Mayor is authorized to execute the following documents in substantially the forms presented to the Board of Aldermen at this meeting (copies of which shall be filed in the records of the City) for and on behalf of and as the act and deed of the City, with such changes therein as the Mayor shall approve. The Mayor's signature thereon shall be conclusive evidence of the approval of the final forms of such documents.

The Escrow Agent is hereby authorized to carry out, on behalf of the City, the duties, terms and provisions of the Escrow Agreement, and the Escrow Agent, the Purchaser and Bond Counsel are authorized to take all necessary actions for the subscription and purchase of any Escrowed Securities described therein, including the subscription for United States Treasury Securities - State and Local Government Series if necessary.
- (b) Bond Purchase Agreement, under which the Purchaser agrees to purchase the Bonds upon the terms and conditions therein set forth.

(c) The following provisions will apply any to term bonds:

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the City may: (1) deliver to the Paying Agent for cancellation Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Bonds subject to mandatory redemption on said mandatory Redemption Date from any Registered Owner thereof, whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the City under this Section for any Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection (b)) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection (b). Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the City to redeem Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Bonds of the same Stated Maturity in chronological order, and the principal amount of Bonds of the same Stated Maturity to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the City intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the City will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with respect to such mandatory redemption payment.

Section 302. Selection of Bonds to Be Redeemed.

(a) The Paying Agent shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Paying Agent at least **45** days prior to the Redemption Date of written instructions of the City specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. If the Bonds are refunded more than 90 days in advance of such Redemption Date, any escrow agreement entered into by the City in connection with such refunding shall provide that such written instructions to the Paying Agent shall be given by or on behalf of the City not more than 90 days prior to the Redemption Date. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** hereof are met. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Bonds hereunder, and Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.

(b) Bonds shall be redeemed only in the principal amount of **\$5,000** or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from the Stated Maturities selected by the City, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in **\$5,000** units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

(c) In the case of a partial redemption of Bonds when Bonds of denominations greater than **\$5,000** are then Outstanding, then for all purposes in connection with such redemption each **\$5,000** of face value shall be treated as though it were a separate Bond of the denomination of **\$5,000**. If it is determined that one or more, but not all, of the **\$5,000** units of face value represented by any Bond are selected for redemption, then upon notice of intention to redeem such **\$5,000** unit or units, the Registered Owner of such Bond or the Registered Owner's duly authorized agent shall present and surrender such Bond to the Paying Agent (1) for payment of the Redemption Price and interest to the Redemption Date of such **\$5,000** unit or units of face value called for redemption, and (2) for exchange, without charge to the Registered Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Registered Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the **\$5,000** unit or units of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, official notice of any redemption shall be given by the Paying Agent on behalf of the City by mailing a copy of an official redemption notice by first class mail at least **30** days prior to the Redemption Date, to the Purchaser of the Bonds and each Registered Owner of the Bonds to be redeemed at the address shown on the Bond Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds of a maturity are to be redeemed, the identification (and, in the case of a partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed (such identification to include interest rates, maturities, CUSIP numbers and such additional information as the Paying Agent may reasonably determine);

- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the payment office of the Paying Agent.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the City defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been redeemed shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, further notice shall be given by the Paying Agent on behalf of the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed.

- (a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the Stated Maturity of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.
- (b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Bondowners by first class, registered or certified mail or overnight delivery as determined by the Paying Agent to all registered securities depositories then holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.
- (c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed, shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory or voluntary standards established by the Securities and Exchange Commission then in effect for processing redemptions of

municipal securities. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

So long as the Securities Depository is effecting book-entry transfers of the Bonds, the City or the Paying Agent shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Bond (having been mailed notice from the Paying Agent, the Securities Depository, a Participant or otherwise) to notify the beneficial owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

APPLICATION OF REVENUES

Section 601. Revenue Fund. The City covenants and agrees that from and after the delivery of the Bonds, and continuing as long as any of the Bonds remain Outstanding hereunder, all of the Revenues shall as and when received be paid and deposited into the Revenue Fund unless otherwise specifically provided in this Ordinance. Said Revenues shall be segregated and kept separate and apart from all other moneys, revenues, funds and accounts of the City and shall not be commingled with any other moneys, revenues, funds and accounts of the City. The Revenue Fund shall be administered and applied solely for the purposes and in the manner provided in this Ordinance.

Section 602. Application of Moneys in Funds and Accounts. The City covenants and agrees that from and after the delivery of the Bonds and continuing so long as any of the Bonds shall remain Outstanding, it will on the first day of each month administer and allocate all of the moneys then held in the Revenue Fund as follows:

- (a) *Operation and Maintenance Account.* There shall first be paid and credited to the Operation and Maintenance Account an amount sufficient to pay the estimated Expenses during the ensuing month. All amounts paid and credited to the Operation and Maintenance Account shall be expended and used by the City solely for the purpose of paying the Expenses of the System.
- (b) *Debt Service Account.* Subject to the requirements of the Senior Lien Ordinance, there shall next be paid and credited monthly to the Debt Service Account, to the extent necessary to meet on each Bond Payment Date the payment of all interest on and principal of the Bonds, the following sums:
 - (1) Beginning on July 1, 2020 and continuing on the first day of each month thereafter to and including November 1, 2020, a proportionate amount of the interest becoming due on the Bonds on December 1, 2020; and thereafter, beginning on December 1, 2020, and continuing on the first day of each month thereafter so long as any of the Bonds remain Outstanding and unpaid, an amount not less than 1/6 of the amount of interest that will become due on the Bonds on the next succeeding Interest Payment Date; and
 - (2) Beginning with July 1, 2020 and continuing on the first day of each month thereafter to and including May 1, 2021, an equal pro rata portion of the amount of principal becoming due on the Bonds on June 1, 2021, and thereafter, beginning on June 1, 2021, and continuing on the first day of each month thereafter so long as any of the Bonds remain Outstanding and unpaid, an amount not less than 1/12 of the amount of principal that will become due on the Bonds on the next succeeding Maturity date.

The amounts required to be paid and credited to the Debt Service Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service accounts established for the payment of principal and interest on Parity Bonds under the provisions of the Parity Ordinances.

Any amounts deposited in the Debt Service Account as accrued interest in accordance with **Section 502(a)** hereof shall be credited against the City's payment obligations as set forth in subsection (b)(1) of this Section.

- (c) *Debt Service Reserve Account.* Except as provided in this Ordinance, all amounts paid and credited to the Debt Service Reserve Account shall be expended and used by the City solely to prevent any default in the payment of interest on or principal of the Bonds on any Maturity date or Interest Payment Date if the moneys in the Debt Service Account are insufficient to pay the interest on or principal of said Bonds as they become due. After all payments and credits required at the time to be made under the provisions of paragraphs (a) and (b) of this Section have been made, and upon the determination that the amount on deposit in the Debt Service Reserve Account is less than the Debt Service Reserve Requirement, there shall next be paid and credited to the Debt Service Reserve Account each month an amount equal to 1/12th of said shortfall until the amount on deposit in said Account shall aggregate the Debt Service Reserve Requirement. So long as the Debt Service Reserve Account aggregates the Debt Service Reserve Requirement, no further payments into said Account shall be required, but if the City is ever required to expend and use a part of the moneys in said Account for the purpose authorized in this Ordinance and such expenditure reduces the amount of said Account below the Debt Service Reserve Requirement, the City shall resume and continue said monthly payments into said Account until said Account shall again aggregate the Debt Service Reserve Requirement.

The amounts required to be paid and credited to the Debt Service Reserve Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service reserve Accounts established for the Parity Bonds under the provisions of any Parity Ordinance.

Moneys in the Debt Service Reserve Account may be used to call the Bonds for redemption and payment prior to their Stated Maturity, provided all of the Bonds at the time Outstanding are called for payment and Accounts are available to pay the same according to their terms. Moneys in the Debt Service Reserve Account shall be used to pay and retire the last Outstanding Bonds unless such Bonds and all interest thereon are otherwise paid. Any amounts in the Debt Service Reserve Account in excess of the Debt Service Reserve Requirement on any valuation date shall be transferred to the Debt Service Account.

If at any time the moneys in the Revenue Account are insufficient to make in full the payments and credits at the time required to be made to the Debt Service Reserve Account

and to the debt service reserve Accounts established to protect the payment of the Senior Lien Bonds any Parity Bonds, the available moneys in the Revenue Account shall be divided first in accordance with the provisions of the Senior Lien Ordinance and then among such debt service reserve Accounts in proportion to the respective principal amounts of said series of bonds at the time outstanding which are payable from the moneys in such debt service reserve Accounts.

- (d) *Depreciation and Replacement Account.* After all payments and credits required at the time to be made under (1) the provisions of paragraphs (a) and (b) of this Section and (2) the provisions of ordinances of the City authorizing additional System Revenue Bonds relating to payments required to be made to debt service accounts and debt service reserve accounts for additional System Revenue Bonds have been made, there shall next be paid to the Depreciation and Replacement Account the amount to be so paid and credited by the Senior Lien Ordinance, and then the amount of \$1,280 per month. Subject to the requirements of the Senior Lien Ordinance, and except as hereinafter provided in **Section 603**, moneys in the Depreciation and Replacement Account shall be expended and used by the City, if no other funds are available therefor, solely for the purpose of making improvements, replacements and repairs in and to the System as may be necessary to keep the System in good repair and working order and to assure the continued effective and efficient operation thereof.
- (e) *Surplus Account.* After all payments and credits required at the time to be made under the provisions of paragraphs (a), (b) and (c) of this Section have been made, all moneys remaining in the Revenue Fund shall be paid and credited to the Surplus Account. Subject to the requirements of the Senior Lien Ordinance, moneys in the Surplus Account shall be expended and disbursed as follows:

 - (iv) Calling, redeeming and paying prior to Stated Maturity, or, at the option of the City, purchasing in the open market at the best price obtainable not exceeding the redemption price (if any bonds are callable), the Bonds or any other System Revenue Bonds, including principal, interest and redemption premium, if any; or
- (e) *Deficiency of Payments into Funds and Accounts.* If at any time the Revenues are insufficient to make any payment on the date or dates hereinbefore specified, the City will make good the amount of such deficiency by making additional payments or credits out of the first available Revenues thereafter received, such payments and credits being made and applied in the order hereinbefore specified in this Section and taking into account the priority of the Senior Lien Bonds and the requirements of the Senior Lien Ordinance.

Section 603. Transfer of Funds to Paying Agent. The Treasurer or other finance officer of the City is hereby authorized and directed to withdraw from the Debt Service Account, and, to the extent necessary to prevent a default in the payment of either principal of or interest on the Bonds, from the Debt Service Reserve Account, the Surplus Account and the Depreciation and Replacement Account as provided in **Section 602** hereof, sums sufficient to pay the principal of and interest on the Bonds as and when the same become due on any Bond Payment Date, and to forward such sums to the Paying Agent in a manner which ensures the Paying Agent will have available funds in such amounts on or before the Business Day immediately preceding each Bond Payment Date. If, through lapse of time, or otherwise, the Registered Owners of Bonds are no longer entitled to enforce payment of their obligations, it shall be the duty of the Paying Agent forthwith to return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

Section 604. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

Section 605. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due at Maturity, the Paying Agent shall repay to the City the funds theretofore held by it for payment of such Bond without liability for interest thereon, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 606. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as determined pursuant to the Federal Tax Certificate), for payment to the United States of America, and neither the City nor the Registered Owner of any Bond shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The City shall periodically determine the rebatable arbitrage under Section 148(f) of the Code in accordance with the Federal Tax Certificate, and the City shall make payments to the United States Government at the times and in the amounts determined under the Federal Tax Certificate. Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and the interest thereon and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be released to the City.

(c) Notwithstanding any other provision of this Ordinance, including in particular **Article XI** hereof, the obligation to pay rebatable arbitrage to the United States and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

ARTICLE VII

DEPOSIT AND INVESTMENT OF MONEYS

Section 701. Deposit and Investment of Moneys.

(a) Money in each of the funds and accounts created by and referred to in this Ordinance shall be deposited in a bank or banks located in the State of Missouri that are members of the Federal Deposit Insurance Corporation. All such deposits shall be continuously and adequately secured by the banks holding such deposits as provided by the laws of the State of Missouri.

(b) Money held in any fund or account referred to in this Ordinance may be invested in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than the date when the money invested may be needed for the purpose for which such fund or account was created. All earnings on any investments held in any fund or account shall accrue to and become a part of such fund or account. If and when the amount held in any fund or account shall be in excess of the amount required by the provisions of this Ordinance, the City shall direct that such excess be paid and credited to the Revenue Fund. In determining the amount held in any fund or account under any of the provisions of this Ordinance, obligations shall be valued at the lower of the costs or the market value thereof; provided, however, that investments held in the Debt Service Reserve Account shall be valued at market value only.

ARTICLE VIII

GENERAL COVENANTS AND PROVISIONS

The City covenants and agrees with each of the Registered Owners of any of the Bonds that so long as any of the Bonds remain Outstanding and unpaid it will comply with each of the following covenants:

Section 801. Efficient and Economical Operation. The City will maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities and duties of the City and is obligated by law to comply with the terms and provisions of this Ordinance without materially adversely affecting at any time the privileges and rights of any Owner of any Outstanding Bond.

The City will continuously own and will operate the System as a revenue producing facility in an efficient and economical manner and will keep and maintain the same in good repair and working order. The City will establish and maintain such rules and regulations for the use of the System as may be necessary to assure maximum utilization and most efficient operation of the System.

Section 802. Rate Covenant. The City in accordance with and subject to applicable legal requirements will fix, establish, maintain and collect such rates and charges for the use and services furnished by or through the System as will produce Revenues sufficient to (a) pay the Expenses of the

System; (b) pay the principal of and net interest on the Bonds as and when the same become due at the Maturity thereof or on any Interest Payment Date; (c) enable the City to have in each fiscal year Net Revenues Available for Debt Service not less than 110% of the Debt Service Requirements for such fiscal year on all System Revenue Bonds at the time outstanding; and (d) provide reasonable and adequate reserves for the payment of the Bonds and the interest thereon and for the protection and benefit of the System as provided in this Ordinance. The City will require the prompt payment of accounts for service rendered by or through the System and will promptly take whatever action is legally permissible to enforce and collect delinquent charges. The City will, from time to time as often as necessary, in accordance with and subject to applicable legal requirements, revise the rates and charges aforesaid in such manner as may be necessary or proper so that the Net Revenues Available for Debt Service will be sufficient to cover the obligations under this Section and otherwise under the provisions of this Ordinance.

Section 803. Reasonable Charges for all Services. None of the facilities or services provided by the System will be furnished to any user (excepting the City itself) without a reasonable charge being made therefor. If the Revenues are at any time insufficient to pay the reasonable Expenses of the System and also to pay all interest on and principal of the Bonds as and when the same become due, then the City will thereafter pay into the Revenue Fund a fair and reasonable payment in accordance with effective applicable rates and charges for all services furnished to the City by the System, and such payments will continue so long as the same may be necessary in order to prevent or reduce the amount of any default in the payment of the interest on or principal of the Bonds.

Section 804. Restrictions on Mortgage or Sale of System. The City will not mortgage, pledge or otherwise encumber the System or any part thereof, nor will it sell, lease or otherwise dispose of the System or any material part thereof; provided, however, the City may:

- (a) sell at fair market value any portion of the System which has been replaced by other similar property of at least equal value, or which ceases to be necessary for the efficient operation of the System, and in the event of sale, the City will apply the proceeds to either (1) redemption of Outstanding Bonds in accordance with the provisions governing repayment of Bonds in advance of Stated Maturity, or (2) replacement of the property so disposed of by other property the revenues of which shall be incorporated into the Revenues as hereinbefore provided;
- (b) cease to operate, abandon or otherwise dispose of any property which has become obsolete, nonproductive or otherwise unusable to the advantage of the City; or
- (c) lease, (1) as lessor, any real or personal property which is unused or unimproved, or which has become obsolete, nonproductive or otherwise unusable to the advantage of the City, or which is being acquired as a part of a lease/purchase financing for the acquisition and/or improvement of such property; and/or (2) as lessee, with an option of the City to purchase, any real or personal property for the extension and improvement of the System. Property being leased as lessor and/or lessee pursuant to this subparagraph (c) shall not be treated as part of the System for purposes of this **Section 804** and may be mortgaged, pledged or otherwise encumbered.

Section 805. Insurance. The City will carry and maintain insurance with respect to the System and its operations against such casualties, contingencies and risks (including but not limited to property and casualty, fire and extended coverage insurance upon all of the properties forming a part of the System insofar as the same are of an insurable nature, public liability, worker's compensation and employee dishonesty insurance), such insurance to be of the character and coverage and in such amounts as would normally be carried by other enterprises engaged in similar activities of comparable size and similarly

situated. In the event of loss or damage, the City, with reasonable dispatch, will use the proceeds of such insurance in reconstructing and replacing the property damaged or destroyed, or in paying the claims on account of which such proceeds were received, or if such reconstruction or replacement is unnecessary or impracticable, then the City will pay and deposit the proceeds of such insurance into the Revenue Fund. The City will annually review the insurance it maintains with respect to the System to determine that it is customary and adequate to protect its property and operations. The City may elect to be self-insured for all or any part of the foregoing requirements if (i) the City annually obtains a written evaluation with respect to such self-insurance program from an Insurance Consultant, (ii) the evaluation is to the effect that the self-insurance program is actuarially sound, and (iii) unless the evaluation states that such reserves are not necessary, the City deposits and maintains adequate reserves for the self-insurance program with a corporate trustee, who may be the Paying Agent. The City shall pay any fees and expenses of such Insurance Consultant in connection therewith. The cost of all insurance obtained pursuant to the requirements of this Section shall be paid as an Expense out of the Revenues of the System.

Section 806. Books, Records and Accounts. The City will install and maintain proper books, records and accounts (entirely separate from all other records and accounts of the City) in which complete and correct entries will be made of all dealings and transactions of or in relation to the System. Such accounts shall show the amount of Revenues received from the System, the application of such Revenues, and all financial transactions in connection therewith. Said books shall be kept by the City according to standard accounting practices as applicable to the operation of facilities comparable to the System.

Section 807. Annual Budget. Prior to the commencement of each fiscal year, the City will cause to be prepared and filed with the City Clerk a budget setting forth the estimated receipts and expenditures of the System for the next succeeding fiscal year. The City Clerk, promptly upon the filing of said budget in the City Clerk's office, will mail a copy of said budget to the Purchaser of the Bonds. Said annual budget shall be prepared in accordance with the requirements of the laws of Missouri and shall contain all information that is required by such laws.

Section 808. Annual Audit. Annually, promptly after the end of the fiscal year, the City will cause an audit to be made of the System for the preceding fiscal year by a certified public accountant or firm of certified public accountants to be employed for that purpose and paid from the revenues of the System. Said annual audit shall cover in reasonable detail the operation of the System during such fiscal year.

Within **30** days after the completion of each such audit, a copy thereof shall be filed in the office of the City Clerk, and a duplicate copy of the audit shall be mailed to the Purchaser of the Bonds. Such audits shall at all times during the usual business hours be open to the examination and inspection by any Registered Owner of any of the Bonds, or by anyone acting for or on behalf of such Registered Owner.

As soon as possible after the completion of the annual audit, the governing body of the City shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Ordinance, the City will promptly cure such deficiency and will promptly proceed to increase the rates and charges to be charged for the use and services furnished by the System as may be necessary to adequately provide for such requirements.

Section 809. Right of Inspection. The Purchaser of the Bonds and any Registered Owner or Owners of 10% of the principal amount of the Bonds then Outstanding shall have the right at all reasonable times to inspect the System and all records, accounts and data relating thereto (except customer information that is confidential), and shall be furnished all such information concerning the System and the operation thereof which the Purchaser or such Registered Owner or Owners may reasonably request.

Section 810. Tax Covenants.

(a) The City covenants that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from federal gross income of the interest on the Bonds, and (2) it will not use or permit the use of any proceeds of Bonds or any other funds of the City, nor take or permit any other action, or fail to take any action, which would adversely affect the exclusion from federal gross income of the interest on the Bonds. The City will also adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with other applicable future law, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The City covenants that (1) it will use the proceeds of the Bonds as soon as practicable for the purposes for which the Bonds are issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(c) The City covenants that it will pay or provide for the payment from time to time of all rebatable arbitrage to the United States pursuant to Section 148(f) of the Code and the Federal Tax Certificate. This covenant shall survive payment in full or defeasance of the Bonds. The Federal Tax Certificate may be amended or replaced if, in the opinion of Bond Counsel, such amendment or replacement will not adversely affect the exclusion from federal gross income of the interest on the Bonds.

(d) The City covenants that it will not use any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, (1) in a manner that would cause any Bond to be a “private activity bond” within the meaning of Section 141(a) of the Code, or (2) to make or finance a loan to any Person.

(e) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article XI** of this Ordinance or any other provision of this Ordinance, until the final Maturity of all Bonds Outstanding.

Section 811. Performance of Duties and Covenants. The City will faithfully and punctually perform all duties, covenants and obligations with respect to the operation of the System now or hereafter imposed upon the City by the Constitution and laws of the State of Missouri and by the provisions of this Ordinance.

ARTICLE IX

ADDITIONAL BONDS AND OBLIGATIONS

Section 901. Senior Lien Bonds. The City covenants and agrees that so long as any of the Bonds remain Outstanding, the City will not issue any additional bonds or incur or assume any other debt obligations appearing as liabilities on the balance sheet of the City or the System for the payment of moneys determined in accordance with generally accepted accounting principles consistently applied, including capital leases as defined by generally accepted accounting principles, payable out of the Net Revenues or any part thereof which are superior to the Bonds.

Section 902. Parity Lien Bonds and Other Obligations. The City covenants and agrees that so long as any of the Bonds remain Outstanding, it will not issue any additional bonds or other long-term

obligations payable out of the Net Revenues or any part thereof which stand on a parity or equality with the Bonds unless the following conditions are met:

- (a) The City shall not be in default in the payment of principal of or interest on any Bonds or any System Revenue Bonds at the time outstanding or in making any payment at the time required to be made into the respective funds and accounts created by and referred to in this Ordinance or any Parity Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default); and
- (b) The City shall obtain either of the following:
 - (1) A report of an Accountant that the annual Net Revenues Available for Debt Service derived by the City from the operation of the System for the fiscal year immediately preceding the issuance of additional bonds shall have been equal to at least 110% of the average annual debt service required to be paid out of the Net Revenues Available for Debt Service in any succeeding fiscal year on account of both principal (at maturity or upon mandatory redemption) and interest becoming due with respect to all System Revenue Bonds of the City, including the additional bonds proposed to be issued. In determining the Net Revenues Available for Debt Service for the purpose of this subsection, the Accountant may adjust said Net Revenues Available for Debt Service by adding thereto, in the event the City has made any increase in rates for the use and services of the System and such increase has not been in effect during all of the fiscal year immediately preceding the issuance of additional bonds, the amount, as estimated by such Accountant, of the additional Net Revenues Available for Debt Service which would have resulted from the operation of the System during said preceding fiscal year had such rate increase been in effect for the entire period.
 - (2) A report of a Consultant to the effect that the annual Net Revenues Available for Debt Service projected to be derived by the City from the operation of the System for the fiscal year immediately following the fiscal year in which the improvements to the System, the cost of which is being financed by such additional bonds, are to be in commercial operation, shall be equal to at least 110% of the average annual debt service required to be paid out of said Net Revenues Available for Debt Service in any succeeding fiscal year following such commercial operation on account of both principal (at maturity or upon mandatory redemption) and interest becoming due with respect to all System Revenue Bonds of the City, including the additional bonds proposed to be issued. In determining the projected Net Revenues Available for Debt Service for the purpose of this subsection, the Consultant may adjust said projections by adding thereto any estimated increase in Net Revenues Available for Debt Service resulting from any increase in rates for the use and services of the System duly made by the City and which shall be in effect for the period of such projections which, in the opinion of the Consultant, are economically feasible and reasonably considered necessary based on projected operations of the System.

Additional revenue bonds of the City issued under the conditions set forth in this Section shall stand on a parity with the Bonds and shall enjoy complete equality or lien on and claim against the Net Revenues with the Bonds, and the City may make equal provision for paying said bonds and the interest thereon out of the Revenue Fund and may likewise provide for the creation of reasonable debt service

accounts and debt service reserve accounts for the payment of such additional bonds and the interest thereon out of moneys in the Revenue Fund.

Section 903. Junior Lien Bonds and Other Obligations. Nothing in this Section contained shall prohibit or restrict the right of the City to issue additional revenue bonds or other revenue obligations for any lawful purpose in connection with the operation of the System and benefitting the System and to provide that the principal of and interest on said revenue bonds or obligations shall be payable out of the Net Revenues of the System, provided at the time of the issuance of such additional revenue bonds or obligations the City is not in default in the performance of any covenant or agreement contained in this Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default), and provided further that such additional revenue bonds or obligations shall be junior and subordinate to the Bonds so that if at any time the City shall be in default in paying either interest on or principal of the Bonds, or if the City is in default in making any payments required to be made by it under the provisions of paragraphs (a), (b) and (c) of **Section 602** of this Ordinance, the City shall make no payments of either principal of or interest on said junior and subordinate revenue bonds or obligations until said default or defaults be cured. In the event of the issuance of any such junior and subordinate revenue bonds or obligations, the City, subject to the provisions aforesaid, may make provision for paying the principal of and interest on said revenue bonds or obligations out of moneys in the Revenue Fund.

Section 904. Refunding Bonds. The City shall have the right, without complying with the provisions of **Section 902** hereof, to refund any of the Bonds or any Parity Bonds under the provisions of any law then available in a manner which provides present value debt service savings, and the refunding bonds so issued shall enjoy complete equality of pledge with any of the Bonds or the Parity Bonds which are not refunded, if any, upon the revenues of the System.

ARTICLE X

DEFAULT AND REMEDIES

Section 1001. Acceleration of Maturity Upon Default. The City covenants and agrees that (i) if it defaults in the payment of the principal of or interest on any of the Bonds as the same become due on any Bond Payment Date, (ii) if the City or its governing body or any of the officers, agents or employees thereof fail or refuse to comply with any of the provisions of this Ordinance or of the constitution or statutes of the State of Missouri and such default continues for a period of 60 days after written notice specifying such default has been given to the City by the Paying Agent or the Registered Owner of any Bond then Outstanding, or (c) any bankruptcy, reorganization, debt arrangement, moratorium or any proceeding under bankruptcy or insolvency law, or any dissolution or liquidation proceeding, is instituted by or against the City, and if instituted against the City, is consented to by the City or is not dismissed within 60 days, then, at any time thereafter and while such default continues, the Registered Owners of 25% in principal amount of the Bonds then Outstanding may, by written notice to the City filed in the office of the City Clerk or delivered in person to said City Clerk, declare the principal of all Bonds then Outstanding to be due and payable immediately, and upon any such declaration given as aforesaid, all of said Bonds shall become and be immediately due and payable, anything in this Ordinance or in the Bonds contained to the contrary notwithstanding. This provision, however, is subject to the condition that if at any time after the principal of said Outstanding Bonds has been so declared to be due and payable, all arrears of interest upon all of said Bonds, except interest accrued but not yet due on such Bonds, and all arrears of principal upon all of said Bonds has been paid in full and all other defaults, if any, by the City under the provisions of this Ordinance and under the provisions of the statutes of the State of Missouri have been cured, then and in every such case the Registered Owners of a majority in principal amount of the Bonds then Outstanding, by written notice to the City given as hereinbefore specified, may rescind and

annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any rights consequent thereon.

Section 1002. Other Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Registered Owners of the Bonds, and the Registered Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Registered Owners of Bonds similarly situated:

- (a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the Constitution and laws of the State of Missouri;
- (b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and
- (c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds.

Section 1003. Limitation on Rights of Bondowners. No one or more Bondowners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Registered Owners of such Outstanding Bonds.

Section 1004. Remedies Cumulative. No remedy conferred herein upon the Bondowners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Registered Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Bondowner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Bondowner, then, and in every such case, the City and the Registered Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondowners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 1005. No Obligation to Levy Taxes. Nothing contained in this Ordinance shall be construed as imposing on the City any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Bonds.

ARTICLE XI

DEFEASANCE

Section 1101. Defeasance. When any or all of the Bonds or the interest payments thereon have been paid and discharged, then the requirements contained in this Ordinance and the pledge of Net Revenues made hereunder and all other rights granted hereby shall terminate with respect to the Bonds or interest payments so paid and discharged. Bonds or the interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with a commercial bank or trust company located in the State of Missouri and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or interest payments thereon, in trust for and irrevocably appropriated thereto, money and/or Defeasance Obligations which, together with the interest to be earned thereon, will be sufficient for the payment of the principal or Redemption Price of said Bonds, and/or interest to accrue on such Bonds to the Stated Maturity or Redemption Date, as the case may be, or if default in such payment shall have occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds shall be redeemed prior to the Stated Maturity thereof, (1) the City shall have elected to redeem such Bonds, and (2) either notice of such redemption shall have been given, or the City shall have given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to redeem such Bonds in compliance with **Section 302(a)** of this Ordinance. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds or the interest payments thereon, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Registered Owners of the Bonds, and such money shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All moneys and Defeasance Obligations deposited with the Paying Agent or other bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

ARTICLE XII

MISCELLANEOUS PROVISIONS

Section 1201. Amendments. The rights and duties of the City and the Bondowners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect by ordinance of the City with the written consent of the Registered Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the City Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the City is required to pay by way of principal or interest on any Bond;
- (c) permit the creation of a lien on the Net Revenues of the System prior or equal to the lien of the Bonds or Parity Bonds;
- (d) permit preference or priority of any Bonds over any other Bonds; or

- (e) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Ordinance.

Any provision of the Bonds or of this Ordinance may, however, be amended or modified by ordinance duly adopted by the governing body of the City at any time in any respect with the written consent of the Registered Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Bondowners, the City may amend or supplement this Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein or in connection with any other change therein which is not materially adverse to the security of the Bondowners.

Every amendment or modification of the provisions of the Bonds or of this Ordinance, to which the written consent of the Bondowners is given, as above provided, shall be expressed in an ordinance adopted by the governing body of the City amending or supplementing the provisions of this Ordinance and shall be deemed to be a part of this Ordinance. A certified copy of every such amendatory or supplemental ordinance, if any, and a certified copy of this Ordinance shall always be kept on file in the office of the City Clerk and shall be made available for inspection by the Registered Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Ordinance, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or of this Ordinance will be sent by the City Clerk to any such Bondowner or prospective Bondowner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the City Clerk a copy of the ordinance of the City hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Registered Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The City shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Ordinance made hereunder which affects the duties or obligations of the Paying Agent under this Ordinance.

Section 1202. Notices, Consents and Other Instruments by Bondowners. Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Bondowners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondowners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds (except for the assignment of ownership of a Bond as provided for in the form of Bond set forth in **Exhibit A** attached hereto), if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

- (a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.
- (b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Registered Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds registered in the name of the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Bondowners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Bondowners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Bondowners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.

Section 1203. Further Authority. The officers of the City, including the Mayor and City Clerk, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1204. Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 1205. Governing Law. This Ordinance shall be governed by and constructed in accordance with the applicable laws of the State of Missouri.

Section 1206. Effective Date. This Ordinance shall take effect and be in full force from and after its passage by the Board of Aldermen and approval by the Mayor.

Section 1207. Electronic Transactions. The parties agree that the transaction described herein may be conducted and related documents may be stored by electronic means.

This Bond is one of a duly authorized series of bonds of the City designated “**Junior Lien Combined Waterworks and Sewerage System Refunding Revenue Bonds, Series 2020**,” aggregating the principal amount of **\$1,805,000** (the “Bonds”), issued by the City for the purpose of refunding the Refunded Bonds that financed the costs of improvements to the combined waterworks and sewerage system of the City (with said system, together with all future improvements and extensions thereto hereafter constructed or acquired by the City, being herein called the “System”), under the authority of and in full compliance with the Constitution and laws of the State of Missouri, including particularly Chapter 250 of the Revised Statutes of Missouri, as amended, and pursuant to an ordinance duly adopted by the governing body of the City (herein called the “Ordinance”). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Ordinance.

At the option of the City, Bonds may be called for redemption and payment, in whole or in part at any time on June 1, 2025 and thereafter at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

The Bonds with stated maturities of June 1, 2025, June 1, 2035 and June 2, 2039, are subject to mandatory sinking fund redemption as set forth in the Ordinance.

Bonds shall be redeemed only in the principal amount of **\$5,000** or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed from the Stated Maturities selected by the City, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in **\$5,000** units of principal amount by lot or in such other equitable manner as the Paying Agent may determine.

Notice of redemption, unless waived, is to be given by the Paying Agent by mailing an official redemption notice by first class mail at least **30** days prior to the redemption date, to the Purchaser of the Bonds and each Registered Owner of each of the Bonds to be redeemed at the address shown on the Bond Register. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City defaults in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

The Bonds are special obligations of the City payable solely from, and secured as to the payment of principal and interest by a pledge of, the net revenues derived from the operation of the System, and the taxing power of the City is not pledged to the payment of the Bonds either as to principal or interest. The Bonds shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional, statutory or charter provision, limitation or restriction. Under the conditions set forth in the Ordinance, the City has the right to issue additional parity bonds and other obligations payable from the same source and secured by the same revenues as the Bonds; provided, however, that such additional bonds may be so issued only in accordance with and subject to the covenants, conditions and restrictions relating thereto set forth in the Ordinance.

THE BONDS SHALL BE JUNIOR AND JUNIOR LIEN WITH RESPECT TO THE PAYMENT OF PRINCIPAL AND INTEREST FROM THE NET INCOME AND

The City hereby covenants and agrees with the Registered Owner of this Bond that it will keep and perform all covenants and agreements contained in the Ordinance, and will fix, establish, maintain and collect such rates, fees and charges for the use and services furnished by or through the System, as will produce revenues sufficient to pay the costs of operation and maintenance of the System, pay the principal of and interest on the Bonds as and when the same become due, and provide reasonable and adequate reserve funds. Reference is made to the Ordinance for a description of the covenants and agreements made by the City with respect to the collection, segregation and application of the revenues of the System, the nature and extent of the security for the Bonds, the rights, duties and obligations of the City with respect thereto, and the rights of the Registered Owners thereof.

The Bonds are issuable in the form of fully registered Bonds without coupons in the denomination of **\$5,000** or any integral multiple thereof.

This Bond may be transferred or exchanged, as provided in the Ordinance, only on the Bond Register upon surrender of this Bond together with a written instrument of transfer or exchange satisfactory to the Paying Agent duly executed by the Registered Owner or the Registered Owner's duly authorized agent, and thereupon a new Bond or Bonds in any authorized denomination of the same maturity and in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Ordinance and upon payment of the charges therein prescribed. The City and the Paying Agent may deem and treat the person in whose name this Bond is registered on the Bond Register as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

The Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Ordinance.
